MEMORANDUM FOR: [REDACTED]

25X1A

SUBJECT:

Release of the Mayaguez Post-Mortem
to the Senate Foreign Relations Committee
and the House International Relations
Committee

1. On 31 July, George Cary forwarded a note to General Wilson concerning Congressional requests for information on the Mayaguez incident. You assigned action to PRD.

2. The Post-Mortem that has just been completed will provide the ICS input to respond to the inquiries. [REDACTED] is pulling other materials together from CIA components, and he tells me that Mr. Colby will review the entire package before it is forwarded.

25X1A

3. It was necessary to alter the attached document only in two places:

--In paragraph 7 (page 4) we paraphrased by deleting reference to the [REDACTED]

25X1A

--The footnote on page 17 was dropped because it could [REDACTED]

25X1C

As it now stands, this document is identical to the copy to be made available to the Senate Select Committee.
